Shri G. Gundachar, temp. Dy. Engr., Hubli (Roads and Buildings) Sub. Dn., Hubli, attains the age of superannuation on the 16th January 1953. The draft P. Notifn. 2. Permission to retire from Govt. service has to be given in good time, say, two or three months in advance of retirement. The reason for this is that the work of preparing the pension papers can be taken up early. This work is required to be undertaken six months in advance of retirement to obviate delay in the sanction to the pension. According to the recent orders of Govt., pension is to be granted to a Govt. servant soon after retirement. In several cases, when the pension papers are not completed before a Govt. servant retires, sanction to the pension has been greatly delayed, and this has been the cause of complaint from several retired officers.

If a Govt. servant takes leave preparatory to Govt. orders granting him permission to retire from Govt. service will not be affected.

as on expiry of the leave, he will retire with effect from the date of his superannuation. In the present case, the S.E., S.C., himself has asked for permission for Shri G. Gundachar, 1 c/s to retire from Govt. service. The draft Notfn. put up 3 c/s may, therefore, issue.

Secy. The notfn itself may issue about a month or so in advance from date (1/4/53) — say in Dec. 52. Too early an issue may mean that in matter is taken up prematurely & is lost sight of. Notfns do not usually issue 5-6 months in advance. To see, however, that pension pp are not delayed, an intimation may be sent to Dy Secy about grant of pension to retire in Jan '53

2. The point for consideration in this case is whether the death-cum-retirement gratuity admissible to Shri G. Gundachar, temporary Deputy Engineer, is to be calculated on the basis of his offg. or substantion pay

3. According to clause (5) of para 3 in Sec.II of G.R., F.D., No.8315/38, dated the 20-12-50, the pay for the purpose of calculating the gratuity means the pay as defined in Sec. V of the said G.R. As per clause (f) of para 9 of Sec. V., gratuity is to be calculated on the basis of officiating pay drawn by a Govt. servant who is appointed in an offg. capacity to a pt. post which is substantively vacant or to a pt. post which is temporarily vacant in causequence of the absence of the pt. incumbent on foreign service. In view of this it is to be decided whether Shri Gundachar can be treated as having been officiated in a pt. post of Dy.Engr. of the nature referred to above. If the decision is in the affirmative, the death-cum-retirement gratuity admissible to Shri Gundachar, can be calculated on the basis of his offg. pay.

4. Shri Gundachar is one of the twenty eight overseers who are promoted as tempy. Dy. Engrs. in 1950, according to the orders in G.R., P.W.D. No.7673/36-XVIII dated the 11-7-50. There are also 171 tempy. Dy. Engrs. recruited in common pool through the B.P.S.C. during the years 1947 to 1949. All these Dy. Engrs. were recruited for temporary posts. In addition to these there are about 34 ex-State Officers who have been absorbed as Tempy.
